The Context: Life in Kabul for Children

Kabul, the capital of Afghanistan, has experienced decades of turmoil, from war and political upheaval to economic instability. For children growing up in this environment, life is often marked by uncertainty, danger, and deprivation. Yet, amid these hardships, many children find ways to forge paths of hope and resilience.

The Historical and Political Landscape

Afghanistan has faced continuous conflict since the late 20th century. The Soviet invasion, civil war, Taliban rule, U.S. interventions, and recent changes in government have all shaped the environment in which Kabul's children grow up. This unstable political climate impacts access to education, healthcare, and safety, making childhood an especially precarious stage.

Socioeconomic Challenges

Many families in Kabul live below the poverty line. Limited access to basic needs such as clean water, nutritious food, and healthcare compounds the hardships faced by children.
