What Is a Board of Regents?

A board of regents is a governing body that oversees the operations of a university or college. History and Evolution

The concept of a board of regents dates back centuries, with roots in colonial America when land grants and royal charters established governance frameworks for early colleges. Over time, these bodies evolved to accommodate increasing complexity in higher education, including the need for accountability, funding oversight, and strategic planning.

Today, many state universities and public colleges are governed by a state-appointed or elected board of regents, reflecting a blend of public accountability and institutional autonomy.
