Sample Comprehension Questions and Answers for Macbeth Act One

Below are typical questions students might face, along with detailed answers to guide their understanding.

1. Who are the three witches and what is their significance in Act One?

Answer:

The three witches, also known as the Weird Sisters, are supernatural beings who appear at the beginning of the play. Their significance lies in their role as agents of chaos and fate; they set the tone for the play's themes of supernatural influence and prophecy. They greet Macbeth with titles like "All hail, Macbeth! Hail to thee, Thane of Glamis! / All hail, Macbeth! Hail to thee, Thane of Cawdor! / All hail, Macbeth! That shalt be king hereafter!" Their prophecies spark Macbeth's ambition and set the plot in motion.

2. What is Macbeth's initial reaction to the witches' prophecy?

Answer:

Macbeth is initially surprised and intrigued by the witches' predictions. When they greet him as Thane of Glamis (which he already is), Thane of Cawdor (a title he has just received), and future king, he is curious and somewhat skeptical. However, the prophecy ignites his ambition, and he begins to consider the possibility of becoming king, which drives much of his subsequent actions.
