The Concept Behind "Less Is More"

Origins and Development

"Less Is More" originated from a desire to challenge traditional notions of theatrical length and to explore how meaningful stories can be conveyed succinctly. Inspired by the minimalist philosophy encapsulated in the adage "less is more," the collection aims to demonstrate that brevity does not

Practical Benefits

Ease of Production:

Ten-minute plays demand fewer resources—sets, costumes, and technical elements—making them ideal for small theaters, educational settings, or touring productions. This flexibility broadens opportunities for theater companies and students alike.

Audience Engagement:

In an age characterized by shortened attention spans and busy schedules, these plays offer quick, meaningful theatrical experiences. They are perfect for festival programming or as part of a repertory lineup, providing audiences with a series of diverse narratives in a single sitting.
