However, it is crucial to note that the authenticity, historical origins, and scholarly recognition of the Ravan Samhita are subjects of debate. Others argue that it is a more recent creation, possibly originating in the medieval or early modern periods, assimilating mythological themes into a textual form.

There are no verified, authenticated manuscript copies preserved in major libraries or archives. Instead, references to the Ravan Samhita surface sporadically in regional oral traditions, folk narratives, or esoteric circles.
