One common critique is that making promises alone does not guarantee behavioral change. Without sustained effort, accountability, and context-sensitive adaptation, the movement risks becoming superficial?akin to virtue signaling rather than authentic growth.

Overgeneralization and Cultural Insensitivity

The promises, often framed within Western individualistic paradigms, may not resonate universally. Cultures emphasizing collective harmony or indirect communication styles might find some promises misaligned with their social norms.

Risk of Guilt and Shame

Failure to uphold promises can induce guilt or shame, potentially discouraging further engagement. Critics warn that this may lead to paralysis or withdrawal rather than constructive change.

Balancing Speaking and Listening
