Long before the advent of modern Amharic novels, Ethiopia's storytelling was predominantly oral. Folktales, poetry, and religious stories transmitted through generations played a crucial role in cultural preservation. These oral narratives often contained moral lessons, historical accounts, and spiritual themes, serving as a foundation for later written fiction.

The advent of written Amharic language in the 19th century, notably following the reign of Emperor Tewodros II, marked a significant turning point. Early written works, such as religious texts, historical chronicles, and poetry, gradually expanded into prose narratives.
