CVC words are simple, phonetic words that follow a consonant-vowel-consonant pattern, such as cat, dog, sun, hat, and pen. These words are among the earliest introduced to children because they are easy to decode, pronounce, and remember. The regular phonetic pattern allows children to apply phonics rules systematically, promoting decoding skills essential for fluent reading.

The Significance of CVC Words in Literacy Development

CVC words serve as a cornerstone in early literacy instruction for several reasons:

- Confidence Building: Success with simple words encourages children to tackle more challenging texts.

By mastering CVC words, children develop the confidence necessary to progress from recognizing isolated words to understanding entire stories.
