- Manipulate Emotions: Abusers may guilt victims into giving up control over money, framing it as a sign of love or loyalty.

Features of Financial Weaponization:

- Threatening to withhold essential resources
- Using financial information to threaten or intimidate
- Exploiting victims' lack of financial literacy or resources
- Coercing victims into illegal or unethical financial actions

Common Indicators for Victims

- Sudden loss of access to money or accounts without explanation
- Control over all financial decisions by the abuser
- Unpaid bills, debts, or missing funds that the victim is unaware of
- Being discouraged or prevented from working or pursuing education
- Secretive or restricted communication about financial matters
