- A) Article I
- B) Article II
- C) Article III
- D) Article IV

Answer: B) Article II

Explanation:

Article II of the U.S. Constitution explicitly establishes the executive branch, outlining the powers, responsibilities, and election process of the President and Vice President. It delineates the President's role as Commander-in-Chief, chief diplomat, and chief executive, among other powers. - A) Vetoing legislation
- B) Declaring war
- C) Appointing federal judges
- D) Granting pardons

Answer: B) Declaring war

Explanation:

While the President has significant powers, declaring war is explicitly a congressional power as outlined in Article I of the Constitution. The President can request declarations of war and is the Commander-in-Chief of the armed forces, but the formal authority to declare war resides with Congress. The other options?vetoing legislation, appointing judges, and granting pardons?are formal presidential powers.

Additional note:

The President's powers are also shaped by informal powers, such as issuing executive orders and engaging in diplomacy, which are often discussed in test questions for their influence on presidential authority.

- D) The Chief Justice of the Supreme Court

Answer: A) The Vice President

Explanation:

The 25th Amendment explicitly states that the Vice President assumes the presidency if the President dies, resigns, is removed from office, or becomes incapacitated. This process ensures continuity of government and stability during crises.

Additional detail:

Other amendments, like the 25th, deal with presidential succession and incapacity, while the 20th sets the terms for congressional and presidential terms.

Historical Executive Actions and Policies

Sample Question 8:

Executive orders are:
